MEMORANDUM FOR: Director, Current Production and  
Analytic Support

FROM: John L. Helgerson  
Associate Deputy Director for Intelligence

SUBJECT: Cartography Support on Nicaragua

1. Over the past few days your cartography group has been under a lot of pressure to produce briefing boards and handouts on very short deadlines for briefings being given to Congress on Nicaragua. These briefings have involved the DCI, DDCI, NIO for Latin America, ADDO, and a variety of other DO and DI officers.

2. The Agency is noted for its ability to handle a variety of requests under short deadlines, and your group in cartography is no exception. These briefing materials are a great asset to all of us, and I want you to know that I greatly appreciate the assistance of all those involved.
